Land Use Permit IDI-27209 Renewed  
Rental Determined  
Monitoring Fee Determined

Enclosed is a copy of your land use permit (LUP), serial number IDI-27209, which allows the use of two locations on public land for apiary purposes. The first site is located north of Highway 20 between Shoshone and Gooding, Idaho. The second site is approximately 5 miles northeast of Shoshone, south of Highway 26/93. This LUP is issued for a term of 3 years, expiring on December 31, 2016. Per 43 CFR 2920.7(i) this permit shall be automatically renewable upon payment of the annual rental unless the Authorized Officer notifies the permittee within 60 days of the expiration date of the permit that the permit shall not be renewed.

The advance rental for the LUP was determined to be \$145.00 annually. The monitoring fee for this LUP was determined to be a Category 1, \$119.00. On July 14, 2014 The Bureau of Land Management (BLM) received payment of \$264.00 for the monitoring fee and for the rental for the period of January 1, 2014 to December 31, 2014. You will be billed for subsequent annual rental payments as they become due.
